

Official DC:0-5™ Overview Training

Designed for any early childhood professional interested in understanding **ZERO TO THREE's Diagnostic Classification of Mental Health and Developmental Disorders of Infancy and Early Childhood (DC:0-5™)**, the *Overview Training* introduces this tool and its use. Participants will gain knowledge about the elements of a mental health diagnosis in early childhood and the process undertaken to identify a diagnosis.

This 4-hour Overview Training does *not* prepare participants to assess or diagnose with the DC:0-5™, but facilitates an understanding of the elements of a diagnosis and the process undertaken to identify it.

Offered by *ZERO TO THREE*-endorsed trainers at the Center for Child & Family Health

Infant/Early Childhood Mental Health Endorsement® Competencies Covered:

- Disorders of Infancy/Early Childhood - Screening & Assessment - Infant/Young Child Development and Behavior -
- Infant/Very Young Child & Family Centered Practice -

WHO	WHEN	WHERE
<p>ALL North Carolina professionals who work with or on behalf of infants, young children, and their families.</p>	<p>June 27, 2024 9 am to 2 pm</p>	<p>Virtual zoom link provided via email <i>after registration</i> (see below for registration link)</p>

The ARCh Project at the Center for Child & Family Health provides this training free of cost through funding from a SAMSHA Infant and Early Childhood Mental Health grant. While CEUs are not available at this time, CCFH will be providing a certificate of attendance.

The ARCh Project works to improve infant and early childhood mental health (IECMH) outcomes of North Carolina children ages birth to five by increasing access to services and advancing workforce capacity to effectively meet their needs. Learn more about the project [HERE](#).
